

OUR PURPOSE

To strengthen the effectiveness of the Churches & Servant Ministries in London in the work of proclaiming life in Christ.

OUR VISION STATEMENT

Building relationships within the Christian Community

BASIS OF UNITY

We believe in the one eternal God, Creator and Sustainer of the world, existent in three persons, Father, Son and Holy Spirit, who governs all things according to the purpose of His will.

We affirm the divine inspiration and unique authority of the Scriptures in their entirety: the Old and the New Testament.

We believe there is one Savior, the Lord Jesus Christ, fully God and fully human, who died for our sins, was raised from the dead and offers the free gift of eternal life, the forgiveness of sins and the gift of the Holy Spirit to all who receive Him through faith.

We believe in the Holy Spirit who makes known the glory of Jesus Christ. He leads and guides and gathers a diversity of believers into a new community: the church, the body of Christ. He sends the church into the world with the good news of Christ to make disciples of all nations
